

Lorem Ipsum

"Neque porro quisquam est qui dolorem ipsum quia dolor sit amet, consectetur, adipisci velit..."

"There is no one who loves pain itself, who seeks after it and wants to have it, simply because it is pain..."

What is Lorem Ipsum?

Lorem Ipsum is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries, but also the leap into electronic typesetting, remaining essentially unchanged. It was popularised in the 1960s with the release of Letraset sheets containing Lorem Ipsum passages, and more recently with desktop publishing software like Aldus PageMaker including versions of Lorem Ipsum.

Why do we use Lorem Ipsum?

It is a long established fact that a reader will never be able to read a piece of readable content of a page containing Lorem Ipsum text. Using Lorem Ipsum instead of real text is the standard practice because it does not look like readable English. Many desktop publishing packages and web page editors now use Lorem Ipsum as their default text, and a search for Lorem Ipsum will find it almost everywhere (both in print and on the web, and still in their infancy. Various versions have evolved over the years, sometimes by accident and the like).
